

## **VOLUNTEER OPPORTUNITIES AT THE LOUISVILLE SCIENCE CENTER**

Volunteers are needed and utilized in many areas of the Louisville Science Center. After submitting an application, all prospective volunteers must attend an orientation, where they will learn about the Science Center, the various positions available and training sessions. Below is a listing of current volunteer opportunities.

### **Gallery Guide**

Interpret exhibits and share information, artifacts and activities with visitors, answer questions, and provide general facilitation for guest participation.

### **Science Lab Volunteer (Adult volunteers only)**

Help staff with interactive lab classes in a variety of science subjects; help with set-up, presentation and clean-up of chemistry and biology lab spaces.

### **Early Childhood Volunteer**

Ensure all visitors have an entertaining and educational experience in KidZone and early childhood labs and activities, such as Members' Only Mornings, Messy Afternoons and Curiosity Lab programs.

### **Science Celebration/Special Projects Volunteer**

Engage visitors in thematically specific science topics, including chemistry, engineering, nanotechnology, laboratory science, health, and more, for *Science Celebrations* and other special programming for short (one-day) or long-term activities.

### **Workshop and Family Programs Volunteers**

Assist Workshop staff in activity preparation and presentation for *School's Out Science Camps*, overnights, *Super Genius Birthday Parties*, Family Science Nights, and other family programs, classes or events.

### **Outreach Volunteer**

Assist staff in activities off-site at various community functions/events, including dispensing information about the Science Center as well as facilitating short walk-up activities or science demonstrations.

### **Special Events Volunteer**

Work onsite special events developed by the Marketing and Development/Membership staff; includes special V.I.P. events, Members- Only events and other public programming.

### **Visitors Service Volunteer**

Help Visitor Services staff in the gift shop and IMAX Theatre, perform clerical work, prepare science center mailings/materials, and dispensing information at the Information Booth.
